

Vinyl Window Wrap

*Maintenance-free trim from
Capitol Glass Northern Windows*

Vinyl window wrap from Capitol Glass Northern Windows is a vinyl extruded window, door, and attic entrance trim available in stock lengths or as pre-assembled, ready to install, boxes.

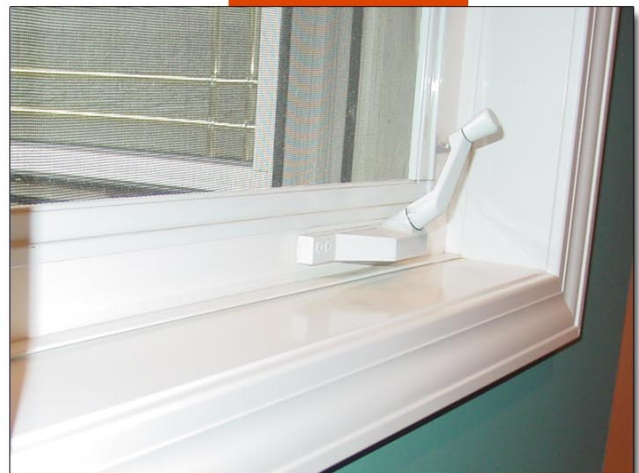

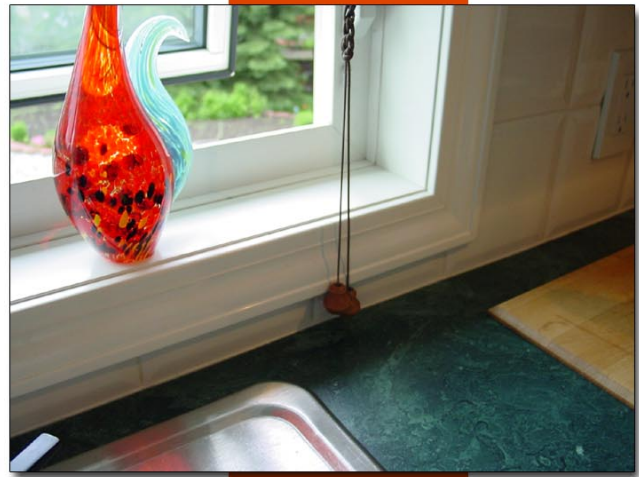

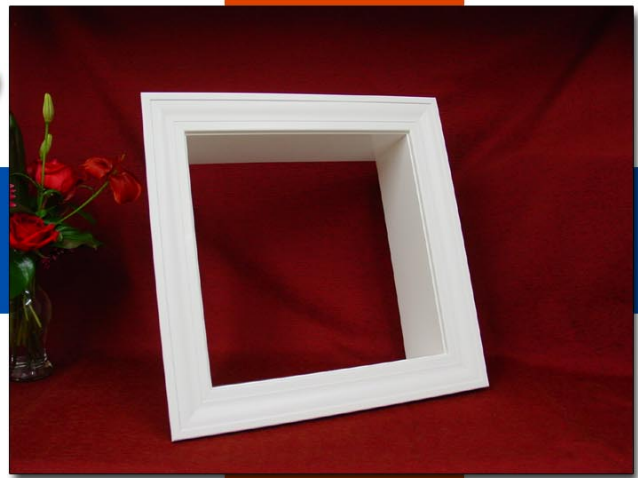

Not a trim carpenter? Not a problem! Pre-assembled vinyl window wrap comes ready to install with either construction adhesive or traditional finish nails.

Features

- Vinyl extrusion will not rot and is perfect for high moisture environments like kitchens and bathrooms.
- One piece extrusion integrates jamb and trim for a clean, seamless look.
- Pre-assembled boxes are installed in minutes, providing huge savings in installation labor as well as having factory tight mitered corners every time.

Options

- Stock lengths available in 3" and 5 1/4" depths.
- Pre-assembled boxes fabricated to custom jamb depths and window sizes.
- Paint options are available - ask your sales rep!
